Economies of an Important Nature in the

Year-End Sale of Women's Coats, Suits, Frocks, Furs, Millinery and Dress Skirts

Monday, December 27th to Friday December 31st

The beginning of the 1920 fall and winter season found this store ready with the largest and most complete stocks of desirable apparel it had ever been its pleasure to show and it is the remainder of this same high grade stock that is now offered at the reduction in price. We are adhering to our set policy of selling merchandise in the season for which it was bought. We need not speak of the desirability of these values, but we do want to repeat however, for the benefit of new customers that all merchandise is just as thoroughly guaranteed at these reduced prices as at the regular selling prices.
